

## Freezer rooms

### **MV03 Freezer unit**

Ready-for-use mobile freezer unit with a volume of 100 m<sup>3</sup> and a large freezing overcapacity (temperature range down to minus 35 °C\*). The frozen storage cell has been fitted with a flat anti-skid floor, lighting, a door with frame heating that opens smoothly (also from the inside), and has a very low entry height. The frozen storage cell meets the HACCP/GMP requirements, and standard features include a data log system. Optional are wireless temperature control and monitoring. The unit is easy to install with a crane truck. This storage cell is low noise and low energy.
